

2-4-6-8 Box

Instructions ©2007 Janine Tinklenberg

You need:

1 - 5 1/2" x 8 1/2" piece cardstock

Paper trimmer with scoring blade or ruler with bone folder

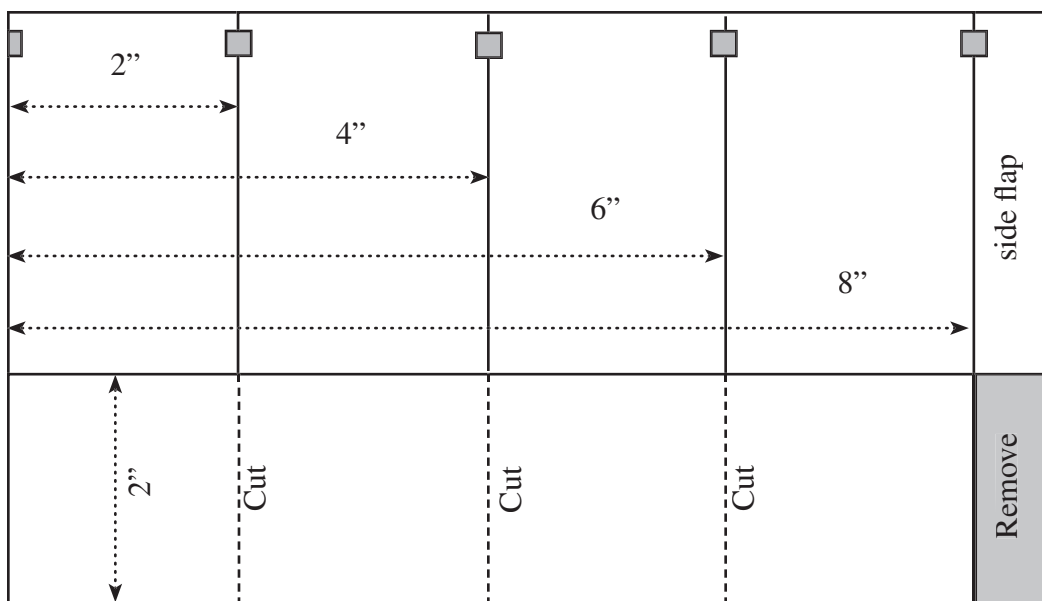

Stamps or wheels for decorating box

1/4" square punch

Red line tape (Sticky Strip or Tacky Tape)

Scissors

From short side of cardstock, score lines at 2", 4", 6", and 8", leaving 1/2" for flap. Score from one long side of cardstock at 2",

Cut on lines from bottom edge to scored edge. Remove small corner piece.

Punch square punch over each side score line and half way off the left side as shown.

Stamp as desired.

Place redline tape on side flap and on one of the flaps that will be the bottom most flap when it is folded.

Fold on bottom score line and on all side fold lines. Adhere side flap behind opposite side, fold all bottom flaps in with flap with tape last. Adhere.

Pinch sides and fold top together. Tie ribbon around punch holes.
